

CERTIFICATION

RPS Australia East Pty Ltd (ACN 140 292 762), certifies that the locations of the water infrastructure on this plan have been surveyed in accordance with the requirements of the FNQROC Development Manual and, to the best of our least the language of the property National Property Nati knowledge and subject to the Important Note below, are accurate.

.....Authorised Delegate 2 October 2020

This plan was prepared for the sole purposes of the client for the specific purpose of recording the infrastructure for the Cairns Regional Council. This plan is strictly limited to the Purpose and does not apply directly or indirectly and will not be used for any other application, purpose, use or matter. The plan is presented without the assumption of a duty of care to any other person (other than the Client) ("Third Party") and may not be relied on by Third Party.

2. RPS Australia East Pty Ltd will not be liable (in negligence or otherwise) for any direct or indirect loss, damage, liability or claim arising out of or

incidental to: A. Third Party publishing, using or relying on the plan;

B. RPS Australia East Pty Ltd relying on information provided to it by the Client or a Third Party where the information is incorrect, incomplete, inaccurate, out-of-date or unreasonable;

C. any inaccuracies or other faults with information or data sourced from

D. RPS Australia East Pty Ltd relying on surface indicators that are incorrect or inaccurate;

 the Client or any Third Party not verifying information in this plan where recommended by RPS Australia East Pty Ltd; F. lodgement of this plan with any local authority against the

recommendation of RPS Australia East Pty Ltd; G. the accuracy, reliability, suitability or completeness of any approximations or estimates made or referred to by RPS Australia

East Pty Ltd in this plan. Without limiting paragraph 1 or 2 above, this plan may not be copied, distributed, or reproduced by any process unless this note is clearly

displayed on the plan. 4. Scale shown is correct for the original plan and any copies of this plan should be verified by checking against the bar scale.

5. Stop valves, hydrants and other visible surface indicators have been located by survey. Other information has been obtained from design and construction information [provided by Third Parties] and should be checked

6. The positions of some services shown on this plan have been exaggerated for drawing clarity purposes. Dimensions shown take precedence over scaled position.
