

RPS Australia East Pty Ltd (ACN 140 292 762), certifies that the locations, surface and invert levels of the sewerage infrastructure on this plan have been surveyed in accordance with the requirements of the FNQROC Development Manual and, to the best of our knowledge and subject to the Important Note below, are accurate.

Data

1. This plan was prepared for the sole purposes of the client for the specific purpose of recording the infrastructure for the Cairns Regional Council. This plan is strictly limited to the Purpose and does not apply directly or indirectly and will not be used for any other application, purpose, use or matter. The plan is presented without the assumption of a duty of care to any other person (other than the Client) ("Third Party") and may not be relied on by Third Party.

- A. RPS Australia EPC Ltd will not be liable (in negligence or otherwise) for any direct or indirect loss, damage, liability or claim arising out of or incidental to:
 - A. A Third Party publishing, using or relying on the plan;
 - B. RPS Australia EPC Ltd relying on information provided to it by the Client, or a Third Party where the information is incorrect, incomplete, inaccurate, out-of-date or unrepresentative;
 - C. any inaccuracies or other faults with information or data sourced from a Third Party;
 - D. RPS Australia or EPC Ltd relying on surface indicators that are incorrect or incomplete;
 - E. the Client or any Third Party not verifying information in this plan where recommended by RPS Australia EPC Ltd;
 - F. lodgement of this plan with any local authority against the recommendation of RPS Australia EPC Ltd;
 - G. the accuracy, reliability, suitability or completeness of any approximations or estimates made or referred to by RPS Australia EPC Ltd in this plan.
- Without limiting paragraph 1 or 2 above, this plan may not be copied, distributed, or reproduced by any process unless this note is clearly displayed on the plan.
4. Scale shown is correct for the original plan and any copies of this plan should be verified by checking against the bar scale.
 5. Type and size of maps, locations and levels of house connection branches and ends have been provided by the constructing contractor and have not been verified. Other information has been obtained from documents and other information (provided by Third Parties) and should be checked before use.
 6. The positions of some services shown on this plan have been exaggerated for drawing clarity purposes. Dimensions shown take precedence over scaled position.
